

Foster Success: Boosting Positivity in the Workplace

Goal: Elevating Staff Successes

Strategy 1

Start supervision sessions by discussing successes that occurred during the week. This shows staff that success is important enough to be first on the agenda.

Strategy 2

Circulate a monthly newsletter highlighting staff and program successes.

Strategy 3

Collaborate with Human Resources to include success stories in regular “brag newsletter.”

Goal: Shift the focus from incentivizing productivity to performance.

Strategy

Offer financial incentives for positive outcomes.
